

Left: When viewed from the front or right, the chair appears to be fully covered

typical furniture photo angle.” Viewed from the left, Set Piece appears to be a beautifully

minimalist white-leather armchair. But from any another angle the waxed pine and ebony structure is exposed. By laying bare the construction, the designer reveals the intricate support system often hidden under a minimalist facade.

Andersson is one of a number of designers commissioned by 20 Ltd to create limited-edition pieces, including Marcel Wanders, Ted Noren and El Ultimo Grito. ANNA BATES

## Set Piece

by Swedish designer Peter Andersson is an armchair that plays on deceptive

camera angles. Created for online design company 20 Ltd, it pokes fun at the idea of internet shopping, where you buy items

purely on the strength of an image. “20 Ltd’s concept is to sell things through images,” says Andersson.

“So I created a chair with one
